

Clare's little bears Pre-school

5th February 2018

Staying Safe on the Internet- E-Safety!

It is E-Safety week around Hertfordshire schools this week and we would like to help and support by educating our parents and children on this important subject.

We are proud to work in Partnership with Letchmore Nursery and Infants School and we have been given the opportunity for our parents to attend an Information Workshop on e-safety (keeping children safe whilst using tablets, Smart phones etc).

When: Thursday 8th February 2018

Time: 910am

Where: Letchmore School Hall, entrance by reception

I would also like to take this opportunity to make you aware Mobile phones must not be used while in the school environment as this is a potential safeguarding issue. We would be grateful if you, as parents and carers would respect our policy of not using them within our school grounds, in particular when you are dropping off/collecting your children, who should have your full attention at those times.

Concerts and shows are exempt from the above policy as I know it is lovely to take photos and videos of your children enjoying their moments but we do ask that any photographs taken are NOT to be shared on social media.

Thank you for your co-operation in keeping our children safe.

Clare and The CLB Team

I am able to attend the e-safety session for parents on 8th February at 910am.

YOUR NAME.....

CHILDS NAME:.....FROM CLARES LITTLE BEARS

Please return slip via email to Clare before 7th February. (Please DO NOT just turn up as I need to let Letchmore know how many they will be expecting from CLB).
